

THE STATE OF TEXAS

GOVERNOR

 *To all to whom these presents shall come,
Greetings: Know ye that this official recognition is presented to*

Community Health Worker Day

April 5, 2024

Throughout our great state, community health workers play an impactful role in the public health care system. They connect underserved populations with social services and health care resources, and by so doing, community health workers help ensure the best possible care for all Texans.

Employing linguistic skills and cultural knowledge, community health workers maintain important relationships within their communities and advocate for the people they serve. Through education, disease management, and outreach, they empower patients and improve health outcomes, allowing Texans to reach their full potential.

At this time, I encourage all Texans to commend our community health workers for their devoted service to the Lone Star State.

First Lady Cecilia Abbott joins me in encouraging all Texans to observe Community Health Worker Day with appropriate programs and activities.

In testimony whereof, I have signed my name and caused the Seal of the State of Texas to be affixed at the City of Austin this the 4th day of March, 2024.

Greg Abbott
Governor of Texas
