

Collaborative Antimicrobial Stewardship Program Assessments

Help Prevent the Spread of Antimicrobial Resistance in the Community!

The Texas Department of State Health Services' (DSHS) Antimicrobial Stewardship (AS) team offers **free, non-regulatory, and voluntary assessments** of antimicrobial use and AS programs.

Why Participate?

- ✓ **Adherence to CDC Core Elements of AS:** Ensure your program meets national standards.
- ✓ **Identify Areas for Improvement:** Gain insights before official audits.
- ✓ **Receive Practical Feedback:** Get actionable recommendations for implementation.
