The status of shellfish growing waters in Texas estuaries is subject to change by the Texas Department of State Health Services at any time. These changes may be due to high rainfall and runoff, flooding, hurricanes and other extreme weather conditions, major spills, red tides, or the failure or inefficient operation of wastewater treatment facilities. Current status of shellfish harvesting areas may be obtained from your local Texas Parks and Wildlife Department office or by calling, **toll-free (in state only), 1-800-685-0361**.

PROHIBITED AREAS: All areas not specifically designated as Restricted and Approved are classified as Prohibited and are closed to the harvesting of molluscan shellfish.
